1. About Eynesbury College

Eynesbury offers the most comprehensive range of pathway programs in South Australia, which provides maximum flexibility in assisting students to gain entry to their chosen degree pathway and in preparing them for academic success at University. As a leading pathway provider for more than 30 years, we have successfully prepared thousands of students for university in Australia. Our specialist approach combines small class sizes, experienced teachers and close academic guidance to support students in academic preparation for university.

Within the city of Adelaide, Eynesbury has an excellent reputation as a leading senior high school. Eynesbury students are expected to be independent learners, but also enjoy significant academic support. Eynesbury High School students are consistently placed in the top 1% of students in South Australia, with more than 99% of them being offered a place at a university of their choice.

This same level of academic support prepares our Foundation Studies students for direct entry into their program at The University of Adelaide, or University of South Australia, or any other university in Australia.

Diploma students will experience the same small class sizes, with teachers who are specialists in their field. Upon completion, Diploma students will be fast tracked into the second year at university.
